

The semi-professional pressure washer for powerful outdoor cleaning

This sturdy and robust pressure washer satisfies all frequent and large cleaning tasks. It is built for durability with a long lasting induction motor and brass cylinder heads. It offers good ergonomics and a large range of operation with its 10m steel armed hose. It's perfect for those who want the toughest equipment with the very best performance. Ideal for cleaning horse trailers, boats, swimming pools as well as patio and garden furniture.

- 180 max pressure
- Metal pump with induction motor and alloy cylinder head for high durability.
- Handles all tasks on surfaces up to 60 m2/ hour.
- Excellent mobility on all types of surfaces with built-in trolley and large wheels.
- 10m superflex high-pressure hose.
- Convenient accessory storage in the machine.
- Easy storage of electric cable.
- Built-in detergent dosage-function and regulation.
- Long lance and telescopic handle supports good working positions.
- X-TRA model includes trolley and hose reel.
